# 10.1 Roof Clapboard

1

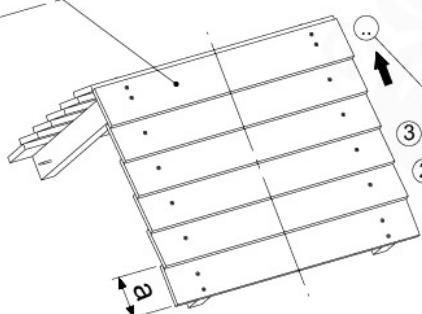

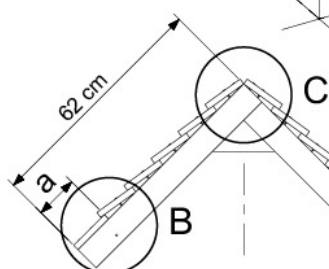

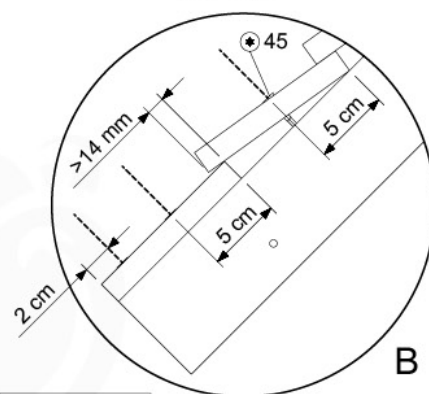

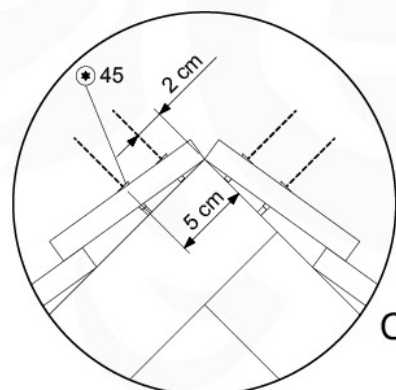

This diagram illustrates the assembly of a wooden bench. It shows three main components: a seat, a backrest, and a frame. The seat is a rectangular panel with horizontal slats and pre-drilled holes for screws. The backrest is a similar panel with a curved top edge. The frame consists of four vertical legs and two horizontal base rails. Dashed lines indicate the alignment and assembly path of the components, showing how the seat and backrest are attached to the frame using screws.
